Latest Recycling Results

WasteCap Resource Solutions and its clients have diverted **637,620 tons** of construction and demolition waste from landfills. That's **225 pounds** per person in Wisconsin! The equivalent of **288,955 trees** has been saved by recycling wood and cardboard. Currently, WasteCap's construction and demolition projects are achieving an 88% average recycling rate.

Help us grow these numbers in 2012 by supporting WasteCap's mission of transforming waste into resources!

WGBA Hosts LEED Green Associate Prep Course

This comprehensive one day workshop will give you the information you need to study, prepare and pass the LEED Green Associate exam. Passing the LEED GA exam shows that you have mastered the fundamental building blocks necessary to utilize green design, construction, operations and third party rating systems. The LEED GA credential will increase your marketability and is the first step in becoming a LEED professional.

Cost: \$199 for WGBA Members, \$225 for Non Members
Dates: February 21 8:30 AM - 4:30 PM

For more information, and to register visit: <http://wgba.shuttlepod.org/ExamPrep>
