

## News & Updates from WasteCap Resource Solutions

### Latest Recycling Results

WasteCap Resource Solutions and its clients have diverted **517,486 tons** of construction and demolition waste debris. To find out just how many pounds per person and trees we have saved to date [click here](#).

### Keeping Up With WasteCap Accreditation

Congratulations to our newest WasteCap Accredited Professionals from Great Falls and Bozeman, Montana. As always, we had a great group and are already looking forward to next year's training!

### Upcoming Training Events

Become an Accredited Professional in Construction Waste Recycling at WasteCap's full day training; eligible for LEED GBCI CEU hours. The program will teach you how to meet LEED criteria for construction waste management and run a successful, cost-effective recycling program.
