### WasteCap Names Joe Liebau, Jr. as Executive Director

Please join us in congratulating Joe Liebau as he accepts the Executive Director position at WasteCap! Joe has been with WasteCap for three years and has been serving as Interim Executive Director for the past five months. He has been involved with environmental issues his entire life. Joe graduated from St. Norbert's with his Bachelor of Arts degree and went on to earn his Master's degree in Public Administration from the University of Wisconsin-Milwaukee.

#### **A Note From Joe**

I am very excited to have the opportunity to lead WasteCap Resource Solutions into the future. The organization has been providing quality results for its clients for many years and I will help to ensure that continues. I thank the Board of Directors for their decision and support. I also want to thank the staff for their great work and support. I would also love to hear from members, clients, and friends on how WasteCap could help you or your organization moving forward. I am sure we can help you Transform Waste into Resources!

To get in touch with Joe call 414-961-1100 or email, [jliebau@wastecap.org](mailto:jliebau@wastecap.org)

### Latest Recycling Results

WasteCap Resource Solutions and its clients have diverted **436,391 tons** of construction and demolition waste from landfills. That's **154 pounds** per person in Wisconsin! The equivalent of **158,426 trees** has been saved by recycling wood and cardboard. Currently, WasteCap's construction and demolition projects are achieving a 90% average recycling rate.

### WasteCap Initiates Dumpster Drive

Being a WasteCap Member means you're committed to transforming waste into resources. It also means that you and your entire organization can enjoy exclusive benefits such as discounts on training and webinars, access to industry-leading information and increased online visibility for your company on our website.

Choose the level that's right for you by clicking on the member spotlight graphic above, or calling us at 414-961-1100

Help WasteCap this holiday season by donating a metal dumpster. Simply commit to designating a dumpster for metal debris on your site and we'll do the rest! All proceeds from this drive will be put towards enhancing our 2012 member event program. In addition to your tax deductible donation, your company will be featured as a proud sponsor of all upcoming, 2012 member events.

To sign up visit, [www.wastecap.org/dumpster](http://www.wastecap.org/dumpster)

## WGBA Hosts LEED Green Associate Prep Course

This comprehensive one day workshop will give you the information you need to study, prepare and pass the LEED Green Associate exam. Passing the LEED GA exam shows that you have mastered the fundamental building blocks necessary to utilize green design, construction, operations and third party rating systems. The LEED GA credential will increase your marketability and is the first step in becoming a LEED professional.

**Cost:** \$199 for WGBA Members, \$225 for Non Members

**Date:** December 6, 2011 8:30 AM - 4:30 PM

For more information, and to register visit: [www.wgba.org](http://www.wgba.org)
